

COUNCIL DIRECTIVE 2008/9/EC**of 12 February 2008****laying down detailed rules for the refund of value added tax, provided for in Directive 2006/112/EC, to taxable persons not established in the Member State of refund but established in another Member State**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 93 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament ⁽¹⁾,

Having regard to the opinion of the European Economic and Social Committee ⁽²⁾,

Whereas:

(1) Considerable problems are posed, both for the administrative authorities of Member States and for businesses, by the implementing rules laid down by Council Directive 79/1072/EEC of 6 December 1979 on the harmonisation of the laws of the Member States relating to turnover taxes — Arrangements for the refund of value added tax to taxable persons not established in the territory of the country ⁽³⁾.

(2) The arrangements laid down in that Directive should be amended in respect of the period within which decisions concerning applications for refund are notified to businesses. At the same time, it should be laid down that businesses too must provide responses within specified periods. In addition, the procedure should be simplified and modernised by allowing for the use of modern technologies.

(3) The new procedure should enhance the position of businesses since the Member States shall be liable to pay interest if the refund is made late and the right of appeal by businesses will be strengthened.

(4) For clarity and better reading purposes, the provision concerning the application of Directive 79/1072/EEC, previously contained in Council Directive 2006/112/EC of 28 November 2006 on the common system of value added tax ⁽⁴⁾, should now be integrated in this Directive.

(5) Since the objectives of this Directive cannot be sufficiently achieved by the Member States and can therefore, by reason of the scale of the action, be better achieved at Community level, the Community may adopt measures, in accordance with the principle of subsidiarity as set out in Article 5 of the Treaty. In accordance with the principle of proportionality, as set out in that Article, this Directive does not go beyond what is necessary in order to achieve those objectives.

(6) In accordance with point 34 of the Interinstitutional Agreement on better law-making ⁽⁵⁾, Member States are encouraged to draw up, for themselves and in the interests of the Community, their own tables illustrating, as far as possible, the correlation between this Directive and the transposition measures, and to make them public.

(7) In the interest of clarity, Directive 79/1072/EEC should therefore be repealed, subject to the necessary transitional measures with respect to refund applications introduced before 1 January 2010,

HAS ADOPTED THIS DIRECTIVE:

Article 10

Without prejudice to requests for information under Article 20, the Member State of refund may require the applicant to submit by electronic means a copy of the invoice or importation document with the refund application where the taxable amount on an invoice or importation document is EUR 1 000 or more or the equivalent in national currency. Where the invoice concerns fuel, the threshold is EUR 250 or the equivalent in national currency.

The correction shall be made in a refund application during the calendar year following the refund period in question or, if the applicant makes no refund applications during that calendar year, by submitting a separate declaration via the electronic portal established by the Member State of establishment.

Article 14

1. The refund application shall relate to the following:
 - (a) the purchase of goods or services which was invoiced during the refund period, provided that the VAT became chargeable before or at the time of the invoicing, or in respect of which the VAT became chargeable during the refund period, provided that the purchase was invoiced before the tax became chargeable;

2. In addition to the transactions referred to in paragraph 1, the refund application may relate to invoices or import

documents not covered by previous refund applications and concerning transactions completed during the calendar year in question.

Article 15

1. The refund application shall be submitted to the Member State of establishment at the latest on 30 September of the calendar year following the refund period. The application shall be considered submitted only if the applicant has filled in all the information required under Articles 8, 9 and 11.

2. The Member State of establishment shall send the applicant an electronic confirmation of receipt without delay.

Article 16

The refund period shall not be more than one calendar year or less than three calendar months. Refund applications may, however, relate to a period of less than three months where the period represents the remainder of a calendar year.

Article 17

If the refund application relates to a refund period of less than one calendar year but not less than three months, the amount of VAT for which a refund is applied for may not be less than EUR 400 or the equivalent in national currency.

 - (c) he is covered by the exemption for small enterprises provided for in Articles 284, 285, 286 and 287 of Directive 2006/112/EC;

⁽¹⁾ OJ L 264, 15.10.2003, p. 1.

(d) he is covered by the common flat-rate scheme for farmers provided for in Articles 296 to 305 of Directive 2006/112/EC.

2. The Member State of establishment shall notify the applicant by electronic means of the decision it has taken pursuant to paragraph 1.

Article 19

1. The Member State of refund shall notify the applicant without delay, by electronic means, of the date on which it received the application.

2. The Member State of refund shall notify the applicant of its decision to approve or refuse the refund application within four months of its receipt by that Member State.

Article 20

1. Where the Member State of refund considers that it does not have all the relevant information on which to make a decision in respect of the whole or part of the refund application, it may request, by electronic means, additional information, in particular from the applicant or from the competent authorities of the Member State of establishment, within the four-month period referred to in Article 19(2). Where the additional information is requested from someone other than the applicant or a competent authority of a Member State, the request shall be made by electronic means only if such means are available to the recipient of the request.

If necessary, the Member State of refund may request further additional information.

The information requested in accordance with this paragraph may include the submission of the original or a copy of the relevant invoice or import document where the Member State of refund has reasonable doubts regarding the validity or accuracy of a particular claim. In that case, the thresholds mentioned in Article 10 shall not apply.

2. The Member State of refund shall be provided with the information requested under paragraph 1 within one month of the date on which the request reaches the person to whom it is addressed.

Article 21

Where the Member State of refund requests additional information, it shall notify the applicant of its decision to approve or refuse the refund application within two months of receiving the requested information or, if it has not received a reply to its request, within two months of expiry of the time limit laid down in Article 20(2). However, the period available for the decision in respect of the whole or part of the refund application shall always be at least six months from the date of receipt of the application by the Member State of refund.

Where the Member State of refund requests further additional information, it shall notify the applicant of its decision in respect of the whole or part of the refund application within eight months of receipt of the application by that Member State.

Article 22

1. Where the refund application is approved, refunds of the approved amount shall be paid by the Member State of refund at the latest within 10 working days of the expiry of the deadline referred to in Article 19(2) or, where additional or further additional information has been requested, the deadlines referred to in Article 21.

2. The refund shall be paid in the Member State of refund or, at the applicant's request, in any other Member State. In the latter case, any bank charges for the transfer shall be deducted by the Member State of refund from the amount to be paid to the applicant.

Article 23

1. Where the refund application is refused in whole or in part, the grounds for refusal shall be notified by the Member State of refund to the applicant together with the decision.

2. Appeals against decisions to refuse a refund application may be made by the applicant to the competent authorities of the Member State of refund in the forms and within the time limits laid down for appeals in the case of refund applications from persons who are established in that Member State.

If, under the law of the Member State of refund, failure to take a decision on a refund application within the time limits specified in this Directive is not regarded either as approval or as refusal, any administrative or judicial procedures which are available in that situation to taxable persons established in that Member State shall be equally available to the applicant. If no such procedures are available, failure to take a decision on a refund application within these time limits shall mean that the application is deemed to be rejected.

Article 24

1. Where a refund has been obtained in a fraudulent way or otherwise incorrectly, the competent authority in the Member State of refund shall proceed directly to recover the amounts wrongly paid and any penalties and interest imposed in accordance with the procedure applicable in the Member State of refund, without prejudice to the provisions on mutual assistance for the recovery of VAT.

2. Where an administrative penalty or interest has been imposed but has not been paid, the Member State of refund may suspend any further refund to the taxable person concerned up to the unpaid amount.

Article 25

The Member State of refund shall take into account as a decrease or increase of the amount of the refund any correction made concerning a previous refund application in accordance with Article 13 or, where a separate declaration is submitted, in the form of separate payment or recovery.

Article 26

Interest shall be due to the applicant by the Member State of refund on the amount of the refund to be paid if the refund is paid after the last date of payment pursuant to Article 22(1).

If the applicant does not submit the additional or further additional information requested to the Member State of refund within the specified time limit, the first paragraph shall not apply. It shall also not apply until the documents to be submitted electronically pursuant to Article 10 have been received by the Member State of refund.

Article 27

1. Interest shall be calculated from the day following the last day for payment of the refund pursuant to Article 22(1) until the day the refund is actually paid.

2. Interest rates shall be equal to the interest rate applicable with respect to refunds of VAT to taxable persons established in the Member State of refund under the national law of that Member State.

If no interest is payable under national law in respect of refunds to established taxable persons, the interest payable shall be equal to the interest or equivalent charge which is applied by the Member State of refund in respect of late payments of VAT by taxable persons.

Article 28

1. This Directive shall apply to refund applications submitted after 31 December 2009.

2. Directive 79/1072/EEC shall be repealed with effect from 1 January 2010. However, its provisions shall continue to apply to refund applications submitted before 1 January 2010.

References to the repealed Directive shall be construed as references to this Directive except for refund applications submitted before 1 January 2010.

Article 29

1. Member States shall bring into force the laws, regulations and administrative provisions necessary to comply with this Directive with effect from 1 January 2010. They shall forthwith inform the Commission thereof.

When such provisions are adopted by Member States, they shall contain a reference to this Directive or be accompanied by such reference on the occasion of their official publication. The methods of making such reference shall be laid down by Member States.

2. Member States shall communicate to the Commission the text of the main provisions of national law which they adopt in the field covered by this Directive.

Article 30

This Directive shall enter into force on the day of its publication in the *Official Journal of the European Union*.
